Listed below for each high school is the type of class schedule that students follow. If your student is currently on a 7- or 8-period school schedule and you decide to apply to a school on a block schedule, or vice versa, this may impact the way that your student earns credits. You should consult with your student's school counselor and the counselor at your intended school to ensure your student remains on a solid path to graduate on time.

Please note that some schools with scheduled facility moves have not yet relocated to their 2015-2016 location. Reach out to schools directly for current contact information.
